

FISCAL NOTE

HB 375

March 22, 2001

SUMMARY OF BILL: Requires the Department of Health to study issues related to the need and location of non-residential methadone treatment facilities. The Department is to design precise guidelines for the location of such facilities in consultation with the Health Facilities Commission and the Board for Licensing Health Care Facilities. The Department is to report to the House Health and Human Resources Committee and the Senate General Welfare, Health and Human Resources Committee by January 1, 2002.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

It is assumed that the cost of any study can be absorbed within existing agency budgets.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James A. Davenport".
